Subject: Delay in disbursement of Salary and other dues of employees posted in Project sector KVs.

Madam/Sir,

It has come to the notice that the payment of salary to the staff of Project Kendriya Vidyalayas are not being done on the last date of month due to non release of sufficient funds by Project Authorities.

As per standard terms and conditions agreed upon at the time of opening of new Project Kendriya Vidyalaya, and MoU(Project KV opened in project sector on or after 2007), the Project Authority has to release the sufficient fund (equivalent to six month requirement) in advance for timely disbursement of salary and other dues of employees.

You are requested to take up the matter again with concerned officer of defaulting project authority for timely release of funds for salary and other dues of employees posted in these project KVs.

Yours faithfully
