- a. At the start of the recruitment year, i.e. in the Month of January, all recruiting units shall assess vacancy for a particular recruitment year (e.g. for 2022 recruitment year, vacancies during the period 01.01.2022 to 31.12.2022) and distribute it amongst various modes of recruitment as provided in the Recruitment Rules and within each mode amongst various categories as prescribed. This shall be termed as 'Provisional Vacancy' for different mode of recruitment and category, which will be taken into consideration for transfer under Rule-38.
- b. While assessing the vacancy as at (a) above, 'Final Vacancy' of previous recruitment year for each mode of recruitments, where candidates are yet to be selected / appointed, shall be excluded. However, vacancy due to non-availability / non-joining of candidates, whether as backlog of reserved vacancy or otherwise, and unforeseen vacancy of previous recruitment year not considered while arriving at 'Final Vacancy' of previous recruitment year, will be included.
- c. As these vacancies are forecasted, these will actually arise round the year in different months. The 'Provisional Vacancy' will undergo change in case there are unforeseen vacancies not considered earlier. Such unforeseen vacancies shall be added to the total provisional vacancy assessed earlier for distribution amongst

various modes of recruitment as provided in the Recruitment Rules and within each mode amongst various categories as prescribed.

- d. While issuing notification for examinations conducted by the Department, 'Provisional Vacancy', calculated as (a) (b) & (c) above, as on the date of issue of notification shall be notified. The notification shall clearly mention that vacancy notified is 'Tentative subject to change'. At the time of declaration of results, 'Provisional Vacancy', calculated as (a), (b) & (c) above, as on the date of publication of results shall be treated as 'Final Vacancy' for all modes of recruitment and list of successful candidates of examination conducted by the Department shall be published accordingly.
- e. If for any reason, notification for examination is not issued or results of examination conducted are not published in the same recruitment year, vacancy on the last day of the recruitment year shall be treated as the 'Final Vacancy' for all modes of recruitment for recruitment year.
- f. 'Final Vacancy' as per (d) or (e) above shall not undergo any further change for that recruitment year.
- g. Based on the 'Final vacancy' as above, vacancy to be earmarked for Compassionate appointment and Sports quota recruitment will be decided.
- h. Inter-Circle / Intra – Circle transfers under Rule 38 shall be considered on monthly basis, as provided in preceding paragraphs, on the basis of actual vacancy at the start of the month subject to following conditions:-

 - iv. In case of Postal Assistant / Sorting Assistant / Stenographer / Inspector Posts, Inter-Circle Transfer under Rule-38 shall be allowed against the vacancy earmarked for Direct Recruitment through SSC, as it will not alter the total vacancy at all-India level.
