Sub: Reimbursement claim of Dipsikha Mishra, Sr. Clerk, aged 43 years under control of PCPO/ECOR/BBS for procurement of Nucleus-7 sound Processor Kit—Reg.

The undersigned is directed to refer to the case of Mrs. Dipsikha Mishra, Sr. Clerk, ECoR/BBS relating to upgradation of speech processor to Nucleus-7 Sound Processor at the cost of Rs. 6,20,550/- on the recommendation of ENT specialists of AIIMS, BBS. 1. Number of times reimbursement of cost of the wearable components for the purpose of upgradation and/or replacement is allowed in the life time of patient after undergoing Cochlear Implantation.
2. The Standing Committee for recommendation for cochlear implantation surgery has been revised by Railway Board and mentioned in Board's letter no. 2007/H/6-1/Policy(1) dated 05.01.2016, but no committee has been defined specifically in Board's letter for recommending the change of wearable component for the purpose of upgradation and/or replacement due to wear and tear.

The above has the approval of Executive Director/Health, Railway Board who is in the rank & pay of Joint Secretary, Railway Board.

Each request for considered 'on merits' of each case and permission granted by the Central Government Health Scheme in each case. This was mainly because there were no guidelines for for considering requests for cochlear implant surgery. The Ministry of Health & Family Welfare, therefore, had the matter considered the matter by a Committee of specialists and it has been decided to permit the beneficiaries under CGHS and Central Services (Medical Attendance) Rules, 1944 undergo cochlear implant surgeries, as per the guidelines outlined below:
