PREFACE TO FIFTH EDITION

This is the fifth edition of the book on “Scheme for Payment of Pensions to Central Government Civil Pensioners by Authorised Banks” since inception of the CPAO on 1st January, 1990. In the course of the last thirty one years based on our experience, interaction with Reserve Bank of India, the 17 Authorised Banks and suggestion from Pensioners’ Association we have been endeavoring to refine and update this booklet with the approval of Controller General of Accounts. The Operating and Accounting Procedure for Central Pension Processing Centres of Authorised Banks for Pension Disbursement to Central Government (Civil) Pensioners have also been merged in this edition. This edition incorporates all correction slips, updations and procedural amendments during the period and the relevant Office Memoranda issued by DoP&PW apart from the provisions to ease the credit of pension/family pension to the accounts of pensioners/family pensioners.

We would recommend that every CPPC of all Authorised Bank disseminates this booklet to all the Pension Account Holding Branches (PAHBs) and its link cell and conduct capacity building so that the staffs are fully conversant with the updated procedures and formats. The Scheme Booklet will also be available at the website of the Central Pension Accounting Office from where it may be viewed and downloaded.

Suggestions for further improvement of this Booklet are welcome.

SCHEME FOR PAYMENT OF PENSIONS TO CENTRAL GOVERNMENT CIVIL PENSIONERS THROUGH AUTHORISED BANKS

1. SHORT TITLE AND COMMENCEMENT

1.1 The scheme is called “Scheme for payment of pensions to Central Government Civil Pensioners through Authorized Banks” applicable w.e.f. 01.01.1990.

1.2 Establishment of CPAO

To simplify the procedure relating to the payment of Central (Civil) Pensions and computerizing the accounting work connected with it, a scheme on the subject has been approved by the Government of India in consultation with the Department of Pensions & Pensioners' Welfare, Reserve Bank of India, the National Informatics Centre and Comptroller & Auditor General of India. The payment of Freedom Fighter Pensioner has also been covered by this scheme. Central Pension Accounting Office under the Controller General of Accounts has been established w.e.f. 01.01.1990 to implement it. All the banks (listed in Annexure-I) authorized to disburse the pensions are required to make the payment on the authority (Special Seal Authority) issued by the Central Pension Accounting Office (CPAO) and adhere to the instructions in this Scheme. Banks should strictly adhere to the instructions contained in Special Seal Authority (SSA) issued by CPAO and Pension Payment Order (PPO booklet) duly embossed with special seal and signed by the concerned Pay & Accounts Officer and/or sent electronically under digital signature of the concerned Pay & Accounts Officer.

Authority: Cabinet Note bearing No. M.23021/2/87/MF-CGA (Pt.) dated-03.03.1989 followed by Office Order No. 23021/1/89/MF.CGA (Coord., CPAO) dated-02.05.1989 and OM No. M.23021/1/89/MF-CGA/ Pension/ 808 dated- 29.12.1989.

2. BROAD FEATURES OF THE BANKING ARRANGEMENT

2.1 The Scheme for payment of pensions to Central Government Civil Pensioners by Authorized Banks was introduced in stages from 1st July, 1976 and was made applicable throughout the country with effect from 1st February, 1977.

After the introduction of Central Pension Processing Centres (CPPCs), all the Public Sector Banks and three Private Sector Banks (i.e. Axis Bank, ICICI Bank and HDFC Bank) have been authorized to disburse pensions through their approved (refer para 2.1.1.6) CPPCs. Jammu & Kashmir Bank

has also been authorized to disburse pension to the Pensioners of Union Territory of Ladakh through its CPPC at Srinagar. The pensioners can draw their pension through any of the CBS enabled branches of any Authorised Bank throughout the country. As such CPAO will send the Special Seal Authority (SSA/eSSA) and the PPO/ePPO to the CPPC of the Authorised Bank only. In turn, CPPC will start crediting the pension directly to the pensioner's account in their PAHB after completing the necessary formalities of identification of pensioner/family pensioner with reference to KYC documents available in their CBS system and details provided in PPO booklet/e-PPO by the Pay & Accounts Officer.

2.2 Pre-requisites for the establishment and functioning of a CPPC

2.2.1 Infrastructure

- i. Each bank will nominate any one or more branches to act as the Central Pension Processing Centre (CPPC). These branches established by the bank should be equipped with adequate manpower and provided with infrastructure to support the activities matching with its scope of work. The infrastructure facilities in the CPPCs should match with the requirements for all categories of pensions across Civil and Non-Civil Departments of the GOI and State Governments being dealt by the Bank.
- ii. CPPCs should provide for the safe custody of all pension papers. It is a basic requirement that the Disburser's half of the PPO portion and revisions thereto, all SSAs, and all papers pertaining to one pensioner be securely placed in one file. Indexing of all such files and maintenance of proper archival and retrieval systems are necessary. It is imperative for efficient disbursement that the place of storage of these files should be within the precincts of the CPPC.
- iii. Digitization of all papers in the pensioner's file should be completed in respect of civil pensioners within 3 months of the date of receipt of the physical documents.

2.2.2 Connectivity, hardware and software

- i. It is necessary that the quality and configuration of the connectivity, hardware and software may be commensurate with the volume of transactions and user expectations. An efficient process may be designed for working with necessary validations. All change management requests based on the directions for amendment from CPAO or GoI may be incorporated in the CPPC System duly in a reasonable time.

- ii. The configuration for hardware and networking should be reviewed from time to time by the Bank and improved with technological advancement and experience of CPPCs. Similarly, the software may require enhancement from time to time and suitable provision for maintenance may be provided by the bank.

2.2.3 Adherence to Codal provisions

- i. All banks should take adequate care to ensure that codal provisions of Scheme for Payment of Pensions to Central Government Civil Pensioners through Authorised Banks, CCS (Pension) Rules, orders and guidelines on pension issued by Government of India/ Reserve Bank of India from time to time are incorporated into the software.
- ii. The software should generate all reports and returns as may be required from time to time.

2.2.4 Creation of Database:

- i. Wherever PPOs/documents are found to be missing/lost, the bank should obtain duplicate copies of PPOs as per procedure laid down in para 27.2 to 27.4 of this scheme. Once obtained, the duplicate PPOs should be digitised, archived and also retained as paper documents record.
- ii. The consolidated digital Index Register known as the CPPC Index Register will record the list of all PPOs or Revision Authorities received in the CPPC. This Master List should be an integral part of the CPPC Software and all events relating to the movements of PPOs and Revision Authorities to CPAO or any other branch/bank should be recorded through the system and date-stamped. This would provide a tool for exercising control over the processing and movement of PPOs/Amendments in the domain of the bank to ensure adherence to performance standard for each activity.

2.2.5 Matching of the master-data with CPAO

- i. CPAO was created in 1990 and a separate project for the collection of pre-1990 data from banks was initiated in 2002. The new Master Data format was issued in April 2009

followed by its updation from time to time. The requirement of Master Data matching has been reiterated time and again.

- ii. The data construction in respect of pre-90 live pensioners should have been completed by all banks and 12 digit numeric PPO numbers should have been obtained from CPAO. The 12 digit numbers thus obtained should be incorporated in all payment scrolls submitted to CPAO. No alpha numeric numbers will be recognized for reimbursement after implementation of CPPC.
- iii. The Master Data of all the pensioners should be reconciled with the data base available in CPAO. The Master Data of the Bank should be fully matched with that of CPAO by the respective banks. In case, the pensioners' information is not available in the CPAO database, the bank will provide necessary documents to enable incorporation into the CPAO database. The smooth implementation of the CPPC and the re-imbursement depends on a perfect match of the Master Data. The exercise of iterative matching may be concluded by deploying a special team to provide collateral evidence to CPAO for new cases and by undertaking corrective measures for erroneous inclusions.

2.2.6 Formation of Central Pension Processing Centre (CPPC)

- i. The Bank has to select one or more of its branches to act as a CPPC and submit their proposal to the office of the CGA. After approval of office of the CGA , the bank should obtain the BSR code/IFSC Code and privilege code from the Reserve Bank of India i.e. Ministry/UDCH code, Reporting Branch code, Reporting RBI code, for this branch. Once the privilege code is received, it shall be intimated to the CPAO with the complete list of Bank Branches covered under the particular CPPC. The soft copy of the list shall be sent electronically and it must contain the complete address with pin code, IFSC, phone number and other contact details of the branches in the format prescribed by CPAO. The Banks should adhere to the instructions prescribed in the "Procedure for Reporting and Accounting of transactions of Departmentalized Ministries" and also those issued by the Reserve Bank of India and the office of the Controller General of Accounts, Ministry of Finance from time to time. The CPPC will thereafter receive all SSAs/eSSAs from CPAO as well as act as the Nodal branch- reporting transactions to CPAO and sending Daily Memos to its link cell for claiming reimbursement from RBI.

4. MODE OF CREDITING PENSION IN PENSIONER'S/FAMILY PENSIONER'S ACCOUNT

4.1 Payment of pensions, including family pension, will be automatic and no bill will be required to be submitted. The amount of monthly pension, including relief on pension sanctioned by Government from time to time, will be credited electronically by CPPC to pension accounts opened or to be opened with any of the CBS enabled branches of concerned bank selected by the pensioner. Pensioners are given option for getting their pension credited to their savings bank accounts (either single account in their names or joint accounts with their spouses in whose favour an authorization for family pension exists in the PPO operated either by "former or survivor" or "either or survivor" basis) subject to the following conditions: -

- i. Once pension has been credited to a pensioner's bank account, the liability of the Government/bank ceases. No further liability arises, even if the spouse has wrongly drawn the account.
- ii. As pension is payable only during the life of a pensioner, his/her death shall be intimated to the bank at the earliest and in any case within one month of the demise, so that the bank does not continue crediting monthly pension to the joint account with the spouse, after the death of the pensioner. If, however any amount has been wrongly credited to the joint account, it shall be recoverable from the joint account and/or any other accounts held by the pensioners/spouse either individually or jointly. The legal heirs, successors, executors etc. shall also be liable to refund any amount, which has been wrongly credited to the joint account. However, payment in cash is not permissible.

Existing pensioners desiring to get their pension credited to a joint account as indicated above are required to submit an application to the Pension Account Holding Branch, from where they are presently drawing pension. This would also be signed by the pensioner's spouse in token of having accepted the terms and conditions. Payment of pension in cash is not permitted. Further, in case of joint account, pensioner must be the **first/primary account holder**.

4.2 The Pension account cannot be allowed to be operated by a holder of power of attorney except in case of an account of former President/ Vice-President of India or of the spouse of the deceased President/Vice-President. However, the facility of allowing cheque books and acceptance of standing instructions for transfer of funds from the account is admissible as per instructions of Reserve Bank of India contained in Annexure III.

4.3 The amount required by the President/Vice- President of India towards 'other amenities' as authorised through Special Seal Authority (SSA) by CPAO will be drawn by him from the bank in the form of a simple receipt. The medical expenses will be drawn on production of Certificate in Form II-A (by the President/Vice-President) or in Form II-B (by the holder of Power of Attorney) as incorporated in Annexure IV. The travelling expenses towards medical check-up will be drawn on production of Certificate in Form III or in Form IV as given in Annexure V. The medical expenses in respect of spouse will be drawn on production of Certificate in Form II-A or in Form II-B as given in Annexure VI and travelling expenses towards medical checkup of spouse will be drawn in Form III or in Form IV as given in Annexure VII. Banks are required to submit details of pension and other amenities separately in the scrolls submitted to CPAO.

4.4. As soon as the simple receipt or certificate as mentioned in Para 4.3 above is produced, the bank will credit the account of the former President/Vice-President or of the spouse of the deceased President/Vice-President with the amount shown in the receipt or in the Certificate, as the case may be.

21.1 Payment of Pension Arrear due to delayed finalization of Pension cases

It must be ensured that arrears of pension due to the pensioners on account of delayed finalization or for any other reason may be correctly worked out. They must be paid to the pensioners in accordance with the provisions of various rules and orders applicable, by the Pay and Accounts Offices. Only the future monthly pensions payable will be authorized to the Banks by transmitting the PPOs to Central Pension Accounting Office. The details of the arrear of Pension paid by the PAO and Month of commencement may invariably be mentioned in the PPO while forwarding the PPO to CPAO by the Pay and Account officer for arranging payment of pension.

21.2 Payment of Arrear of Pension due to death of Pensioner before forwarding of PPO to CPAO

There may be an occasion when the pensioner opting to draw pension through a bank dies before the PPO is sent to Central Pension Accounting Office. In such cases, Pay and Accounts Office will make the payment of arrears of pension to the heirs of deceased pensioner and PPO will be sent to CPAO for authorizing family pension only. However the details of the arrear of pension may be mentioned in the PPO while forwarding it to the CPAO.

21.3 Payment of arrear due to non-submission of the life certificate relate to period less than three years

If the arrears relate to a period less than three years and if they have not been credited due to late submission of prescribed certificate(s) by the pensioner or for routine matters which do not require detailed examination with reference to the files of PAOs, they may be paid by the CPPC of authorized Banks after obtaining specific orders of the Manager/Officer in charge of the bank who would release the payment subject to verification of the bonafide of the claim of the pensioner. It must be ensured that no double payment/over payment is made by the paying branch. Payment of arrears in such cases as also payment of current pension will be made by the CPPC on receipt of PPO with a sanction of the competent authority through the CPAO. Such payments will also be mentioned prominently in the e-payment scrolls.

21.5 Pension Arrear when pensioner expires

Pension shall be drawn for the day of pensioner's death irrespective of the time of the death. On receipt of a death certificate in respect of pensioner, the CPPC will work out the amount of arrears due to the deceased or over-payments, if any, made to him. It will take action immediately to recover the overpayment from the deceased's account in terms of the undertaking obtained from the pensioner before his/her retirement i.e. at the time of submission of pension papers to the Head of the Office. Payment of arrears of pensioners will be regulated as under:

21.5.1 Cases where valid nomination exists:

The CPPC will enter the date of death of the pensioner in the disbursing's portion of the PPO and will retain this information on its database with suitable audit trail and in the register maintained in their software in the form as Annexure-IX. An entry for date of death of the pensioner will be made in pensioner's half by PAHB. The pensioner's half of PPO will then be returned to the nominee if family pension stands authorised through the same PPO; otherwise it will be returned by CPPC to CPAO along with the disbursing's half. The CPAO will up-date its record and transmit both halves of the PPO after keeping necessary note in their records to the PAO/AG who had issued the PPO for similar action and record. For payment of arrears to the nominee, he/she will be asked to apply for the same to the PAHB along with the pensioner's half of the PPO showing the period of arrears. The PAHB, after verifying the fact that the payment is actually due to the deceased pensioner, and also the particulars of the nominee as given in the nomination, will intimate the CPPC along with pensioners portion of PPO for making payment by crediting the account of the claimant. The provision of this rule will apply mutatis mutandis to cases where the family pension ceases to be payable either due to death of the family pensioner, his/her re-marriage/marriage or on the pensioner attaining the maximum age prescribed in the rules.

The Co-authorization of family pension to permanently disabled is indicated in part-IV of the PPO (CAM-52). In the case of spouse having joint account with the pensioner, as and when he/she submits the death certificate along with a request in writing to the bank for commencement of family pension the payment of family pension at the rate mentioned in the PPO may be commenced. He/she should also enclose undertaking for recovery of excess payment in the prescribed format Annexure-XXXI. The PAHB will send the original copies to CPPC who will keep the scanned copies of the same in the electronic folder of the pensioner viewable by the PAHB and original copy in the physical folder of the pensioner. In other cases, i.e. where the pension is not being credited to the joint account of the pensioner and his/her spouse, an application in the prescribed form (Annexure-XXXII) along with necessary requisite documents are required. It would be the responsibility of the Home

Branch to update the entries of the pensioners' half under the signature of the appropriate authority. However, before the payment is actually commenced, the identity of the spouse/disabled child entitled to family pension shall be verified by CPPC with reference to the KYC and other details available in their CBS system.

Authority: DP&PW OM No. 1/27/2011-P&PW (E) dated- 20th September, 2013 and Para 2(a)(i) of M/o PPG &P Notification No.1/19/2013-P&PW (E) dated-29.08.2014

In case the pension account is opened by the spouse in PAHB under different CPPC of authorized bank, the existing PAHB will forward all the documents along with Annexure-XXXII to its CPPC. Existing CPPC will forward scanned copy of all the documents along with PPO to the concerned CPPC for commencement of family pension immediately and also send original PPO along with last payment certificate and other requisite documents. Concerned CPPC will credit the family pension in the account of the family pensioner on the basis of the scanned documents received from the previous bank CPPC after verifying the detail with reference to KYC available in their CBS. This is the responsibility of the previous CPPC to send the original documents of the pensioners, i.e. disburser's portion of PPO along with relevant documents to the new CPPC at the earliest.

22.3 Submission of Pension Papers by the claimants on the death of Pensioner/Family Pensioner for family pension

- i. In case the claimant is a minor child/parents/unmarried/widowed daughter, he/she will furnish the application in the prescribed form for starting the family pension along with Death certificate and pensioner's portion of PPO to PAHB. The PAHB will check the name of the claimant in the details of the family in the PPO. If the name of the claimant is appearing in the detail of the family, the banks will forward his/her application along with Death certificate, undertaking for recovery of excess payment made by bank and pensioner's portion of PPO to CPPC. In turn CPPC will forward the same as in Annexure-XXXII along with both halves of the PPO to CPAO for onward transmission to Pay & Accounts Office for issuing fresh payment authority along with the undertaking of recovery of overpayment on the basis of list of family members available in PPO.

CPAO will forward all the documents received from the CPPC of the authorized banks after cancellation/deactivation of the PPO for issuing the fresh PPO and authority.

On receipt of documents, PAO will forward the application of the family pensioner application to the concerned head of office for sanctioning the family pension to the eligible family member in conformity with rules and regulations. PAO will keep the PPO in his safe custody after making necessary entries in the records.

Accordingly, on receipt of fresh payment authority along with the fresh PPOs from Pay & Accounts Office, CPAO will issue a fresh SSA and send the same to the CPPC along with both halves of PPO and undertaking of recovery of overpayment. CPPC will commence the payment of family pension after completing the formalities of identification of the beneficiary/guardian in the manner indicated in para 12.1(iii).

22.4 Payment of family pension will be made by credit to savings/current account of the recipient (single or a joint account with spouse operated by former or survivor/either or survivor basis). The single account may be opened if the recipient doesn't already have one. Additionally, an undertaking as at Annexure XXXI referred to in para 22.1 above will be obtained by PAHB from the recipient for onward transmission to CPPC before payment of family pension is commenced.

Authority: Para 7.5.1 of Civil Accounts Manual.

22.5 As pension is payable only during the life of a pensioner, his/her death shall be intimated to the bank at the earliest and in any case within one month of the demise so that the bank may not continue crediting monthly pension to the joint account with the spouse or single account of the pensioner after the death of the pensioner. However, if any amount has been wrongly credited to the pensioner's account (either joint or single account), it shall be adjusted against the future payment of family pension. The legal heirs, successors, executors etc. shall also be liable to refund any amount, which has been wrongly credited to the joint account.

The CPPC will also intimate the CPAO in the format at Annexure XXXIV, the date of pensioner's death and commencement of payment of family pension for keeping necessary note in their records.

Authority: Correction Slip No.1 to Scheme Booklet dated-08.02.2006

22.6 In case the report about the death of a pensioner is received by PAHB first, from a source other than the eligible claimant of the family pensioner, the Manager shall after satisfying himself about the correctness of the report, contact the family members at the address given in the PPO, seeking compliance with the prescribed formalities, so that payment of family pension to the entitled person(s) is commenced early.

22.7 In certain cases governed by the provisions of sub-rule (3) of Rule 54 of the Central Civil Services (Pension) Rules, 1972, family pension is payable at a higher rate up to a particular date and the normal rate thereafter, Part III-Section 2 of the PPO would indicate the rates and the date up to which the higher rate is payable. A provision of indication of the date from which the payment of family pension at the normal (lower) rate is to commence, should be flagged in CPPC software in the electronic ledger account of the family pensioner so as to enforce the change in the rate from the specified date to avoid overpayments.

23. CANCELLATION OF PPO :-

23.1 "PPO record/history table of pensioner and family pensioner shall be maintained by CPPC and CPAO". Pension Payment orders are cancelled/deactivated from the data base of CPAO for the following reasons:-

CPPC will recover the overpaid amount if any, from the account of the Pensioner in terms of the undertaking furnished by the pensioner/Family Pensioner. CPPC will also indicate the date and month up to which the payment of pension has been made in the PPO. CPAO after cancellation/de-activation of the PPO

23.1.2 Cancellation of PPO of the Pensioner/Family Pensioner to issue fresh PPO to the other eligible family Pensioner after the death of the pensioner and the family pensioner.

On receipt of the same, CPAO will forward all these documents to concerned PAO for taking necessary action after cancellation/de-activation of the PPO from the CPAO database.

Pay and Accounts Officer should also record cancelled PPO Number in the fresh PPO issued to the family pensioner while forwarding it to CPAO for arranging pension payments.

25. GRIEVANCE REDRESSAL SYSTEM IN CENTRAL PENSION PROCESSING CENTRE (CPPC)

25.1 CPPC should have a sound grievance redressal system. Clear time lines and the processes for delivery of pensions and also for redressal of grievances of pensioners should be provided on the website of the CPPC. The escalation matrix of the CPPC and the senior management should be embedded in the grievance redressal system. The interface with the pensioner could be through internet/phone/fax/letter/personal visit for initially registering the grievance. A toll free telephone number should be provided exclusively for the pensioners by the bank and widely published. The bank can provide web based enquiry to the pensioners. Each paying branch should also have the facility to lodge the grievance of the pensioner in the CPPC system. Home Branches should be instructed to provide services to the pensioner and under normal circumstances the pensioners' problem should be efficiently redressed at the branches itself. The grievance monitoring cell in the CPPC should be connected electronically with the grievance cell of CPAO. The grievance cell in CPAO would pass any grievance to the concerned bank with the ID number and after settlement of the grievance, the pensioner and CPAO should be informed by the CPPC. A link of the website of CPPC on the CPAO's website would guide the pensioners suitably.

26. PERFORMANCE MANAGEMENT:

26.1 Pensioner's Charter/Citizen's Charter for Pensioners

The CPPC may publish a pensioners' charter on the services being provided to the pensioners as conveyed vide CPAO O.M. No. CPAO/DCA Sectt/Banks/2009 dated 23.04.2009.

Each bank should prepare and publish a Citizen's Charter for pensioners and this should be displayed in each pension paying branch. The Charter should outline timelines, standards and services required to be provided to the pensioners by each node of the bank. This would enable banks to be more responsive and accountable in serving the pensioners efficiently and effectively. The pensioner's charter may be place on the website of each bank.

26.2 Quarterly or periodical meetings

In accordance with RBI direction vide letter No. DGBA. GAD.H-3085/45.01.001/ 2008-09 dated 1st October, 2008, addressed to Chairman/Managing Director of all banks; Bank Managers need to have structured interaction with a cross section of pensioners serviced at the branch regularly, on a quarterly basis.

26.3 Performance standards

GoI or the RBI may impose penalties for delay or deficiency in delivery of services to the pensioners or non-compliance of orders regarding pension disbursement.

27. MISCELLANEOUS PROVISIONS (FOR PENSIONERS AS WELL AS FAMILY PENSIONERS)

27.1 If all the pages for entering monthly payments in the disburser's/pensioner's portion of the PPO is fully used up, the paying branch may add extra sheet(s) with similar columns for noting further payments. A suitable entry will be made by the paying branch on both the halves of PPO (disburser's and pensioner's) whenever a continuation sheet is added, specifying the number of cases on the sheet.

27.2 If both the halves of a PPO are reported to have been lost in transit due to natural calamities etc., before commencement of payment of pension, the CPPC concerned will report to the concerned Pay & Accounts Office through CPAO requesting for issue of a duplicate PPO in favour of the concerned pensioner in terms of the provisions of rule. Before initiating action in this behalf, the CPPC will, however, verify from the register of payment of pensions (Annexure-IX) that no payment has been made to the pensioner and confirm this fact to the PAO while writing for a duplicate PPO. The CPPC will also take the following actions before commencing payment in such cases on receipt of duplicate PPOs.

- i. The fact that no payment is to be made against the Original PPO will be prominently mentioned in the Register of Payments of Pension Annexure IX Electronic format 'A' while noting therein the particulars of the duplicate PPO.
- ii. A declaration from the pensioner to the effect that he has not already received any payment against the Original PPO; and also an undertaking from him to the effect "that he will surrender to the PAHB the Original PPO, if traced out later, and will not claim any payment on its strength" will be obtained from the pensioner and kept on the record.
- iii. CPPC will ensure that no payment has been made to the pensioner on the basis of the original PPO during the period following the report made to the PAO as regards its reported loss.

27.3 In cases in which pensioner's portion of the PPO is lost, worn or torn and it is sought to be renewed, the PAHB will forward the request of the pensioner, along with attested copies of disburser's portion of the PPO through CPPC to the CPAO for renewal. The payment in such cases will not be unnecessarily delayed as the scanned copy of the PPO would be available in the concerned pensioner's electronic folder maintained by the CPPC and viewable by PAHB. CPAO will verify the particulars of the pensioner from the details available in its data base and issue the duplicate PPO to the concerned CPPC.

27.4 In case where disburser's portion of PPO is lost by the CPPC of the bank, the CPPC will report the matter to the CPAO requesting for issue of duplicate disburser's portion of PPO. For this purpose, the CPPC will forward the scanned copy of the PPO available in its electronic database. If the pensioners physical folder is not traceable due to any reason and the same is not available in the electronic folder also the CPPC will forward the photocopy of pensioner's portion of PPO duly attested by the authorized officer of CPPC and certificate indicating the month up to which the payment has been made to the pensioner. CPAO will verify the particulars of the pensioner from the details; if available in its database and issue the duplicate PPO to the concerned CPPC otherwise it will send the particulars to concerned PAO for issuing Disbursers portion of PPO.

27.5 In case both halves of PPOs are lost due to any reason, the case may be referred by the concerned CPPC to CPAO for issuing duplicate PPO. The procedure of para 27.3 and 27.4 may be followed.

28. POST-PAYMENT CHECKS

28.1 The CPAO will be responsible for accounting of the pensions of all categories of pensioners mentioned at para 3 and will also conduct post-check of payments through the computer system and any irregularity noticed during the course of the post-check will be communicated to the CPPC who will be responsible for carrying out necessary rectifications as per guidelines issued by the RBI. In cases where the banks find that instructions received through PPO/Amendment letters to PPO/ready- reckoner to DA relief are found to be vague or liable to different interpretations, the CPPC may seek the advice of CPAO through the quickest mode of communication so as to avoid inconvenience to the pensioners in crediting the amounts to their accounts promptly. For this purpose, the facility to E-mail: **cccپao@nic.in** and Fax Number 011-26167326 and 011-26715108 at CPAO, New Delhi may be availed with a copy to **internalaudit.cپao@gov.in**.

29. AUDIT OF PENSION PAYMENTS DISBURSED BY AUTHORISED BANKS

29.1 The pensionary payments, Accounts, Records and Registers maintained in the CPPC of Authorized Banks making pension payments shall be open to audit by the Comptroller and Auditor General of India or any person appointed by Government in this regard.

29.2 In addition to audit by C&AG, the CPAO will also undertake the Internal Audit of the CPPCs. The Internal Audit Wing, Central Pension Accounting Office will conduct audit of pensionary payments by Authorised Banks to check:

- i. The Internal Controls Mechanisms of the Banks;
- ii. The accuracy and correctness of pension disbursements by the Banks and its reporting and accounting;
- iii. Existence of the Grievance Redressal Mechanism for pensioners and its functioning;
- iv. Whether various instructions issued by the Government from time to time are being followed or not;

Authority: Rule 70 of the General Financial Rules, 2017

Authority: Civil Accounts Manual para 7.17 and the Inspection Code issued by Office of the CGA.

30. LIST OF PAOs AND CODES

30.1 A list of Code Numbers of PPO issuing authorities is given at Annexure XXXV along with their addresses. First five digits in a 12 digit PPO Number represent the code number of concerned PAO, next two numbers indicate the year of issue and the next four digits indicate the sequential number of the PPO while the last digit is a check digit. For example, a PPO bearing number 709650601302 implies that PPO has been issued by AG Madhya Pradesh in the year 2006 and is the 130th PPO issued by that PPO issuing authority for that year and is allotted computer code 2. In all correspondence with CPAO, the 12 Digit PPO Numbers must invariably be quoted correctly for easy and quick identification and computer processing.

31. WITHDRAWAL OF FACILITY OF BANKING TREASURY

31.1 With the introduction of this Scheme all over the country, the restricted facility for collecting pensions through the banks on the presentation of bills to the treasuries in case of pensioners residing in the country stands withdrawn with effect from 1st April, 1977.

32. RELEVANT PROVISIONS OF THE CTRs

The relevant provisions of the CTRs relating to payment of pension to the pensioners covered under CCS (Pension) Rules 1972 stand modified in the light of change in the infrastructure and modification of the CCS (Pension) Rules 1972.

33. NATIONAL PENSION SYSTEM (NPS)- REVISED GUIDELINES

Additional relief on death/disability of government servants covered by the Defined Contribution Pension System (NPS) was granted vide Dept. of Pension and Pensioners' Welfare (DPPW O.M. No.38/41/06/P&PW (A) dated 5-5-2009). The additional relief was initially provided on provisional basis and is now regularized vide Gazette Notification of DoPPW dated 30.03.2021. Therefore, the procedure for payment of provisional pension to the pensioners covered under NPS communicated vide OM No. 1(7)DCPS(NPS)/009/TA/221 dated 2.07.2009 has to be discontinued and new mechanism is to be adopted.

As per the Notification dated 30.03.2021, every Government servant covered under the National Pension System shall, at the time of joining Government service exercise an option in Form 1 for availing benefits under the National Pension System or under the Central Civil Service (Pension) Rules, 1972 or the Central Civil Service (Extraordinary Pension) Rules, 1939 in the event of his death or boarding out on account of disablement or retirement on invalidation.

If the Government Servant exercises his option in Form 1 as per section 10 of the notification published in Gazette of India: Extra ordinary dated 30.03.2021 and opts for availing the benefits under the Central Civil Service (Pension) Rules or the Central Civil Service (Extraordinary Pension) Rules, 1939, his pension case will be processed accordingly.

ANNEXURE III: RBI INSTRUCTIONS: PENSIONERS ACCOUNTS IN BANKS

(See para 4.2)

RBI INSTRUCTIONS: PENSIONERS ACCOUNTS IN BANKS

An extract of instructions issued by RBI to the Managing Directors of State Bank of India and its Associate Banks and General Managers of Authorised Banks in connection with the extension of facility of allowing cheque books and acceptance of standing instructions for transfer of funds from the accounts of Central Civil Pensioners drawing pension under the Scheme for payment of Pensions through Authorised banks is reproduced below:-

I. ACCEPTANCE OF STANDING INSTRUCTIONS FROM THE PENSIONERS

The matter has been examined by us in consultation with the Government of India, Ministry of Finance who have advised that acceptance of standing instructions for transfer of funds etc. from the pensioner's accounts would not be inconsistent with the scheme and that they see no objection to Authorised banks dealing with such requests from pensioners at their discretion. In exercising such discretion banks may bear in mind the fact that in view of the bond of indemnity executed by them under the scheme, they will have to compensate the Government in respect of any overpayment or wrong payment.

II. EXTENDING CHEQUE BOOK FACILITY TO PENSIONERS

- a. Once the amount of pension and/or other pensionary benefit is credited to a pensioner's individual savings/current account, all the operations in the account will be governed by general banking rules and practices. Therefore, withdrawals from the account can be permitted by means of cheque/withdrawal slip/ATM as in the case of other account holders. Request for issue of cheque book from the pensioners may therefore be considered by banks on merits of each case and subject to the rules and regulations framed by individual bank in this regard. It is felt that withdrawal by means of cheque, if permitted, will be of immense help to old pensioners.
- b. It is also not necessary to make it compulsory for a pensioner to come personally to bank's office to withdraw the amount of his pension every month, because account holders have the option to withdraw money from their accounts by means of withdrawals slip/cheques through bearer.

ANNEXURE XXVIII: OFFICE MEMORANDUM

(Para 18.2 (i) & (ii))

DoP&PW OM No.45/73/97-P&PW (G) dated-02.07.1999

OFFICE MEMORANDUM

Subject: - Recommendations of the 5th Central Pay Commission- Payment of Dearness Relief to re-employed pensioners and employed family pensioners- decision regarding.

In terms of the existing orders, Dearness Relief to pensioners and family pensioners is to remain suspended during the period a pensioner/ family pensioner is re-employed/ employed under the Central or State Government or in a Statutory Corporation / Company/Body/Bank under them in India or abroad. These orders are also applicable to pensioners and family pensioners permanently absorbed in a Statutory Corporation/ Company / Body / Bank under the Central or State Government.

2. In Paragraph 138.21 of their Report, the 5th Central Pay Commission had recommended that Dearness Relief should be paid to employed family pensioners and re-employed pensioners in cases where their pay is fixed at the minimum of the pay scale of the post of re-employment ignoring the entire pension, and that in other cases of re-employment, Dearness Relief shall be payable on pay plus the non-ignorable portion of pension as was the case at present. The Commission had further recommended in Paragraph 141.12 that, with a view to maintaining the original value of the pension, the payment of Dearness Relief should not be suspended where pay is fixed at the minimum of the pay scale during employment / re-employment of a family pensioner/ pensioner.
3. These recommendations have been considered and accepted by the Government. The President is accordingly pleased to decide as follows:-
 - (a) In so far re-employed pensioners are concerned, the entire pension admissible is to be ignored at present only in the case of those civilian pensioners who held posts below Group "A" and those ex-servicemen who held posts below the ranks of Commissioned Officers at the time of their retirement. Their pay, on re-employment, is to be fixed at the minimum of the pay scale of the post in which they are re-employed. Such civilian pensioners will consequently be entitled to Dearness Relief on their pension in terms of the recommendations of the 5th Central Pay Commission at the rates applicable from time to time.
 - (b) In terms of the existing orders on the subject, the pay of re-employed pensioners who held Group 'A' post or posts of the ranks of Commissioned Officers at the time of their retirement is to be fixed at present.

- at the same stage as last drawn before retirement or, if there is no such stage at the stage next above the pay last drawn.

- at the maximum of the pay scale, if the last drawn is more than the maximum of the pay scale of the post in which re-employed.

•at the minimum of the pay scale of the post in which re-employed, if it is more than the pay last drawn.

Further, the pay on re-employment is required to be fixed after ignoring only a portion of the pension [Rs.1,500] received for the previous employment. In view of the fact that (i) the pension is taken into account in such cases and is not entirely ignored; (ii) the pay in the post of re-employment is not required to be fixed at the minimum of the scale in all cases; and (iii) Dearness Allowance at the rates applicable from time to time is also admissible on the pay fixed in terms of the orders on the subject, these re-employed pensioners will not be entitled, in addition, to any Dearness Relief on their pension.

- (c) As regards employed family pensioners, since the family pension received by the eligible dependents of Central Government employees is, in any case, not taken into account in determining their pay on employment, Dearness Relief at the rates applicable from time to time shall be admissible on their family pension.
- (d) While implementing these decisions, orders issued by the Department of Personnel & Training vide O.M. No. 3/1/85-Estt. (Pay-II) dated 31.07.1986 and as amended from time to time regarding fixation of pay of re-employed pensioners shall be duly kept in view.
- (e) These orders shall be effective from July 18, 1997.

4. (I) In accordance with the Government's decision, referred to in the preceding Paragraph, all family pensioners, in receipt of family pension from the Central Government who were/ are employed under the Central Government or the State Government or a Corporation/ Company/ Body /Bank under them in India or abroad shall be eligible to draw dearness relief, at rates applicable from time to time, on the amount of family pension, with effect from July 18, 1997. A certificate may still be necessary to determine dependency. All Pension Payment Authorities, including authorized Public Sector Banks are requested to forthwith release dearness relief on family pensions in cases where this was withheld on account of the family pensioners concerned being employed. The arrears, if any, due with effect from July 18, 1997 shall also be paid.

(II) (a) In the case of Central Government pensioners who were/are re-employed under the Central Government or the State Government or a Corporation/ Company/ Body/Bank including an autonomous organization under them in India or abroad or had/ have been permanently absorbed in such Corporation/ Company/ Body/Bank or autonomous organization, dearness relief will now be admissible to such of those re-employed pensioners who satisfy the conditions referred to in Para 3(a) above. For this purpose, the Central Government Departments concerned, including subordinate organizations, State Government, Corporation Company/ Body/Bank etc. employing a Central Government pensioner shall be required to issue of certificate indicating the following:-

- (i) The re-employed pensioner retired from a civil or military post in the Central Government and was holding a post not included in classified as Group 'A' or a post below the rank of commissioned officer in the armed forces.
- (ii) The entire amount of pension sanctioned by the Central Government was ignored in fixation of the pay on re-employment i.e. no part of the pension was taken into account in such fixation of pay in the pay scale of the post in which the Central Government retired/ retiree officer was re-employed/ absorbed: and
- (iii) The pay of the re-employed/ absorbee was / is fixed at the minimum of the pay scale of the post in which he had/ has been initially re-employed after his retirement from the Central Government.

- (b) All Central Government Ministries/ Departments/ Organizations shall bring these orders to the notice of all Central Government pensioners who happened to be re-employed by them as on July 18, 1997 or were/ are re-employed subsequently. In cases such re-employed pensioners satisfy the conditions referred to above, the necessary certificate on the above lines shall be issued after verification from the details referred to in Para 17 of the Central Civil Services (Fixation of pay of Re-employed pensioners) Order 1986 issued vide Department of Personnel & Training O.M. No.3/1/85-Estt. (Pay-II) dated 31.07.1986 and as amended from time to time.
- (c) The Pension Disbursing Authority shall release dearness relief on pension to those re-employed pensioners who submit the Certificate referred to above.
- (d) In all other cases of re-employed pensioners, no dearness relief shall be admissible on pension during the period of their re-employment. Payment of dearness relief in these cases shall become admissible only with effect from the date they cease to be re-employed.
- (e) The Pension Disbursing Authority shall require such a pensioner to produce a certificate of cessation of re-employment from the office in which he had been re-employed.

- 5. Formal amendment to the Central Civil Services (Pension) Rules, 1972 is being issued separately.
- 6. CPAO may take immediate action to suitably amend the relevant provision of the Scheme for Payment of pension to Central Government Civil Pensioner, including the proforma at Annexure-XVIII and notify the same to all Public Sector Banks disbursing pension to Central Government pensioners/ family pensioners. A copy of the notification may be endorsed to this department.
- 7. Necessary orders in respect of re-employed Defence pensioners and family pensioners will be issued separately by the Ministry of Defence.
- 8. Administrative Ministries may bring these orders to the notice of all subordinate organizations, autonomous bodies and Public Sector Undertakings including Nationalized banks, financial institutions, etc. under them so that the eligible Central Government pensioners re-employed in these organizations do not face any difficulty in obtaining the requisite certificate.
- 9. This issues with the concurrence of the Ministry of Finance, Department of Expenditure.
- 10. In so far as these orders relate to personnel of the Indian Audit and Accounts Department, these have been issued in consultation with the Comptroller & Auditor General of India.

No. 1/22/2012-P&PW (E)
**Government of India Ministry of Personnel,
P.G. & Pensions
Department of Pension & Pensioners' Welfare**

3rd Floor, Lok Nayak Bhavan

Dated: 10th July, 2013

Offices Memorandum

- Sub: (i) Payment of arrears of pension in cases where valid nomination has not been made under the Payment of Arrears of Pension (Nomination) Rules, 1983;
- (ii) payment of arrears of family pension — reg.

Attention is invited to the Payment of Arrears of Pension (Nomination) Rules, 1983 which provide that after the death of the pensioner, all moneys payable to the pensioner on account of pension will be paid to the nominee of the deceased pensioner. In the absence of any nomination made by the pensioner, the arrears of his/her pension are paid to the legal heir as per the procedure indicated in para 4 of part A of annexure to Ministry of Finance OM No. 1(3)-E.V/83, dated 11.10.1983. However, dependents of some pensioners expressed difficulties in obtaining the legal heir-ship certificates and represented that the necessity of production of legal heir-ship certificates may be waived where the amount of arrears payable is small.

2. The matter had been examined in Ministry of Finance, D/o Expenditure vide OM dated 04/06/1985 and it was decided that in case where a valid nomination does not exist under the Payment of Arrears of Pension (Nomination) Rules, 1983 and the dependent of pensioner is unable to produce the legal heir-ship certificate, the Payment of Lifetime Arrears of Pension accruing to the deceased pensioner may be authorized on the basis of any documentary proof regarding the relationship and heir-ship of the claimant if the gross amount of arrear does not exceed Rupees 25,000. In such cases, if the gross amount did not exceed Rupees 5,000 and case represented no peculiar features, the accounts officer was authorised to make the payment on his own authority.

3. The Government has further looked into the matter and decided to increase the limits of Rupees 5000 and 25000 as indicated in Department of Expenditure OM, dated 4.6.85 to Rupees 50,000 and 2,50,000 respectively. The conditions and the procedure of payments indicated in Department of Expenditure OM dated 22.10.1983 and 04.06.1985 will remain the same, which are reiterated hereunder.

4. The Pension Disbursing Authority (PDA) may receive application along with any documentary proof regarding the relationship and heir-ship of the claimant. In case the claimant is the recipient of family pension, the disbursing Officer will verify the identity of the claimant with reference to the disburser's half as well as pensioner's half of the PPO and give a certificate of having done so. PDA will duly attest the documents received from the applicant and forward the seal along with the application to the Accounts Officer. The Accounts Officer, on receipt of application along with a copy of PPO of the pensioner and other documents from the PDA, will calculate the amount of arrears and

issue necessary authority for payment of life-time arrears to the disbursing authority if the case does not present any peculiar features and the amount does not exceed Rs.50,000. In case the amount exceeds Rupees 50,000 but does not exceed Rupees 2,50,000, the Accounts Officer will obtain the orders of the Head of Department or Administrator or the CAG in the case of pensioners from Indian Audit & Accounts Department or any Officer of that Department declared as an HOD. Payment will be made on execution of a duly stamped indemnity bond in Form T.R. 14/G.A.R. 26, with such sureties as necessary in terms of para 7 below. In case of any doubt and also in cases where the amount of arrears exceeds Rupees 2,50,000, payments shall be authorized to be made only to the persons producing the legal authority.

5. This department's OM No. 43/4/95-P&PW(G), dated 30.10.1995 stipulates that in the event of death of a family pensioner, the right to receive any arrears of family pension would automatically pass on to the eligible member of the family next in line. The requirement of succession certificate for payment of any arrears occurs only where there is no member in the family who is eligible to receive family pension after the death of the family pensioner. Therefore, it has been decided that the provisions of this office memorandum will also apply to the payment of arrears of family pension where no member of family is eligible to receive family pension.

6. The Head of Department here means the Head of Department as defined in rule 2(xvi) of the General Financial Rules, 2005. However, in order to ensure that the citizens do not have to face unnecessary hardships, it has been decided that in the case of field establishments, the Administrative Ministries/Departments may delegate the power of Head of Department to the Head of Office in the rank of Deputy Secretary/Director, if felt necessary by them. It is also clarified that this OM will cover all such past cases.

7. Normally, there should be two sureties, both of known financial stability. However, in case the amount of claim is less than Rs.75,000/-, the authority accepting the indemnity bond for and on behalf the President of India should decide on the merits of each case whether to accept only one surety instead of two. The obligor as well as the sureties executing the indemnity bond should have attained majority so that the bond has legal effect or force. The bond is required to be accepted on behalf of the President by an officer duly authorised under Article 299 (1) of the Constitution.

8. These orders will not be applicable in cases where a valid nomination exists under the Payment of Arrears of Pension (Nomination) Rules, 1983. In such cases, the payment of arrears will be authorised to be made to the nominee (s).

9. As regards pensioners/family pensioners belonging to the Indian Audit and Accounts Departments, these Orders issue after consultation with the Comptroller and Auditor General of India.

10. This issues with the concurrence of Ministry of Finance, Department of Expenditure, vide their ID Note No.568/E.V/2013, dated 28" June, 2013 and O/o Controller General of Accounts vide their ID No. 1(7)/TA-III/2011-12/Miscl/116, dated13.02.2013.
