**Sub: Celebration of Vigilance Awareness Week 2022.**

Indian Railways has always been at the fore front to undertake effective measures to combat corruption due to its massive public interface. As suggested by CVC, one of the important ways to celebrate Vigilance Awareness Week – 2022 will be to play a “Jingle” to increase public awareness about the menace of corruption and join hands together to make corruption free India.

Keeping this in view a soft copy of the “Jingle” is attached herewith and being mailed so that the same could be played at prominent railway stations as well as in trains equipped with public address systems during Vigilance Awareness Week from 31<sup>st</sup> October to 6<sup>th</sup> November, 2022. Accordingly, authorities concerned may be advised to make this campaign successful.
