

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No.2023/V-1/Misc/1/1

New Delhi, dated, 6 March, 2023

The Managing Director
Centre for Railway Information Systems(CRIS)
Chanakyapuri
New Delhi – 110 021.

Sub:- Access of Vigilance Deptt. for conducting Preventive Checks/Investigation etc. to Finalised TCPs in IREPS

With the introduction of IREPS, entire process of tendering is being done through IREPS. All the documents pertaining to the tender including finalised TCPs are available in digital form in IREPS. Tender history of the finalised tenders can be seen from the "e-reports/ tender history" of IREPS. However access to view finalised TCPs is not available to vigilance officials.

Accordingly, based on a reference received from South Central Railway, the issue has been examined by vigilance Dte in consultation with Member(O&BD) and it has been decided that the facility of view option of Tender Committee Proceedings(TCPs) after finalization of tender in pdf format with log-counts may be provided to SDGM's of all Zonal Railways (as per their jurisdiction) without any further delegation to enable Preventive Checks/Investigation of specific complaint on e-tenders by Vigilance Deptt.

In view of the above, it is requested that the needful action may be taken and a compliance report in this regard is communicated to Board's office within one month positively.

This issues with the approval of Member(O&BD).

(Vivek Varshney)
Director Vigilance (Mech.)
Railway Board

Copy to:- The SDGM's of All Zonal Railways for information and necessary action.
