Subject: Circulation of various Government orders/instructions issued by the Nodal Ministries - regarding

As per practice, various Government orders were issued by Nodal Ministries which were further disseminated by this Section to all Defence Establishments/Directorates for information/compliance.

2. Sometimes, there is considerable time lag between issuance of orders/OMs by the Nodal Departments and their re-circulation by the MoD/D (Civ-1). It is on the account of the fact that the Nodal Ministries/Departments have discontinued the general practice of physical circulation of their Orders/OMs to the Ministries/Departments of Government of India. Nodal Ministries/Departments now upload their new Orders/instructions on their official website and therefore, copies of new orders/instructions of Nodal Ministries/Departments are not being received in MoD.

3. It has been observed that all the orders/instructions on the subject of increments, pay fixation, DA, advance salary, HRA/Compensatory (City) Allowance, ACPS/MACPS, Children Educational Allowance/Reimbursement of Tuition Fees and other allowances issued by Nodal Ministries/Departments are generally applicable in original form to Defence Civilian Employees. These are circulated to lower formations of MoD in their original form, without any changes. To streamline this task in accordance with the new practice now adopted by the Government Ministries/Departments, it has been decided to discontinue the existing practice of circulation of each and every order/instruction to all the lower formations. Defence Establishments/Service Headquarters/lower formations of MoD are advised to download such Government orders from the website of Nodal Ministry, which are applicable to Central Government employees, including Defence Civilian employees, in the original form for further necessary action. Those Government orders/instructions which are not applicable to Defence Civilian in their original form would continue to be circulated, after obtaining the approval of Competent Authority, by D (Civ-1). Beside reducing the avoidable paperwork, this would also help in faster dissemination of the new Government orders/instruction and in their expeditious implementation.
